RE: Docket No. CP25-528-000, Eastern Gas Transmission & Storage, Inc. Appalachian Reliability Project

Dear Secretary Reese:

We, the Greene County Commissioners, are writing to express our enthusiastic support for Eastern Gas Transmission and Storage's (EGTS) application to the Federal Regulatory Commission (FERC) for its Appalachian Reliability Project.

Eastern Gas Transmission and Storage seeks to add a Crayne Compressor Station here in Greene County and can contribute to environmental benefits through various measures and technologies. Inclusive of Emissions reduction, transition to cleaner energy and operational improvements.

Pennsylvania's energy sector is continuously adapting to the changing dynamics surrounding reliability and capacity for both commercial and residential consumers. Eastern Gas Transmission and Storage's Appalachian Reliability Project is another advancement in meeting Greene County's growing needs.

Please accept this letter as full support of the EGTS Appalachian Reliability Project. Thank you for your consideration.

Sincerely,

Board of Commissioners Greene County

Jared Edgreen, Chairman

Betsy McClure, Commissioner

Blair Zimmerman, Commissioner
